THE TUCKERTON LIBRARY MEMBERSHIP

Libraries are wonderful places, and we are very proud of ours. They feed the imagination, fill important informational needs, provide cultural and educational programs and are community centers of a unique kind.

Who are the Trustees and what do they do? They are local people who work for the Association on a volunteer basis to support the oldest continually operating Library in Ocean County. What makes us different from other "Friends of the Library" groups is that we own the building and the grounds of the library and are responsible for all major maintenance improvements and expansions.

We are a member of the *Ocean County Library System*, which provides us with the personnel, books, and computers. If you have not already done so, rediscover the treasure trove your Library has to offer.

To accomplish the above we need sustaining and new members. Membership gives you an interest in seeing our Library preserved and expanded. We encourage you to become an Association member. Fill out and mail in the form below, with payment to: The Tuckerton Library and/or call the library at: (609) 296-1470 with questions. Leave your name and number and a Trustee will get in touch.
