Inside D-Day At The Ocean County Library

BRICK TOWNSHIP – Nothing in military history had the dimensions - or risks - of D-Day. Learn the strategy and obstacles of Operation Overlord, Wednesday, May 23, 6:30 PM at the Ocean County Library Brick Branch.

Former Brookdale Community College History Professor Paul Zigo, founder and director of the World War II Era Studies Institute, explains the make-or-break circumstances of the June 6, 1944 attack at Normandy beach, the complex logistics behind the massive wave of Allies, and its impact for future generations.

The Brick Branch is located at 301 Chambersbridge Road. The program is free. Registration is required. Call 732-277-4513 or visit the “Events” page at <http://www.theoceancountylibrary.org>.
