## Ocean County Library to Host Science Fiction Author

**LONG BEACH ISLAND** – Meet science fiction author Frank Andriuli at 2 p.m. Saturday, Sept.15, at the Long Beach Island Branch, 217 S. Central Ave. Surf City.

Andriuli will talk about his new book “The People Factory.” In a world where human-like robots (androids) have become commonplace, former military officer, Steve Renna purchases one he calls Vanessa. He discovers that some of these androids have their own agenda.

Vanessa must determine whether she will side with the government who created her or with her owner, who she had been programmed to be loyal to and protect.

This presentation is free but registration is required. To register, call the branch at 609-494-2480 or visit [theoceancountylibrary.org/events](http://theoceancountylibrary.org/events).
