Solar Energy Program Coming to LBI Library

LONG BEACH ISLAND – The Long Beach Island Branch of the Ocean County Library will host “New Jersey Solar Resources Program” at 6 p.m. Monday, Apr. 1 and 6 p.m. Wednesday, Apr. 10.

Go green and help the environment as you combat rising energy costs. This program will teach you how to regenerate your own clean energy instead of paying for traditional electricity.

The program will be presented by Solar Energy Consultant Nicholas Ianiello.

The branch is located at 217 S. Central Ave., Surf City.

Registration is required for these free programs. To register, call the branch at 609-494-2480 or visit theoceancountylibrary.org/events.
