“Beyond Bathrooms & Binaries” at LBI Library

LONG BEACH ISLAND – The Long Beach Island Branch of the Ocean County Library will host “Beyond Bathrooms & Binaries” at 6 p.m. Monday, June 17.

Controversies about transgender students, athletes, and service members have drawn attention to the challenges gender nonconforming people face in public life. Dr. Kiki Jameson, president of the Fund for New Jersey, will explore, through informed conversations and specific examples, why labels are so complex and whether gender categories are useful.

This program has been made possible in part by the National Endowment for the Humanities (NEH) and the New Jersey Council for the Humanities (NJCH). Any views, findings, conclusions, or recommendations expressed in this program do not necessarily represent those of the NEH or NJCH.

The branch is located at 217 S. Central Ave., Surf City.

Registration is required for this free program. To register, call the branch at 609-494-2480 or visit theoceancountylibrary.org/events.
