Reading Tracker and Activity App Available through the Ocean County Library

TOMS RIVER – Welcome Beanstack, your one stop shop for tracking your reading progress and activities at the Ocean County Library. Earn digital badges by logging books, tracking reading times or pages read, attend programming, or write reviews for our year-round reading challenges.

Beanstack allows readers to:

- Keep track of all family members' reading logs, progress, and rewards on one account
- Earn digital badges during reading challenges all year long
- Receive weekly book recommendations
- Read and write book reviews
- Explore book lists
- The app, Beanstack Tracker, lets you time your reading sessions, log books by scanning their ISBN numbers, keep a log of current and past reading, track daily reading stats, and achieve streaks for reading multiple days in a row

Pre-registration for Summer Reading is open.

You may begin logging books to count towards your Summer Reading Challenge on June 15.

To begin, visit theoceancountylibrary.beanstack.org, or download Beanstack Tracker to your tablet or smartphone.
