### Little Egg Harbor Closed for Electrical Repairs

**Little Egg Harbor** – The Little Egg Harbor Branch of the Ocean County Library will be closed until further notice for electrical repairs. These repairs are a result of a power surge from an Atlantic City Electric transformer located on the perimeter of Mathistown Road. The surge occurred around 11:00 pm on October 14, after the branch had closed for the evening. Our maintenance team and electricians are on site to address the issue.

All holds in delivery as of October 16 will be available for pick up at our Stafford Branch, 129 N Main St, Manahawkin, NJ 08050 and will be extended 4 days. Alternatively, customers may call and request their holds be sent to their branch of choice. The Ocean County Library apologized for any inconvenience and thanks you for your patience.
