### Art of Helen Harris to be Displayed at Jackson Library

**JACKSON** – The Ocean County Library Jackson Branch will exhibit the highly expressive creations of New Jersey artist Helen Harris, March 6 through April 17.

Helen's landscapes, seascapes, florals and abstracts are rendered in water color, acrylics, mixed media and oils. Her works have been displayed in numerous East Coast shows and galleries during the past 20 years.

The holder of a Graphic Design degree from the Philadelphia College of Arts, Helen first gained attention through her three dimensional blends of rice papers, torn paper and textured gels with watercolor, gouache on paper.

She credits frequent travels in the western United States for her interpretations of western mountains as well as eastern shores.

The branch is located at 2 Jackson Drive.

Registration is not required for this free exhibition. For more information, call the branch, 732-928-4400, or visit [www.theoceancountylibrary.org/events](http://www.theoceancountylibrary.org/events).
