OCL Toms River Branch February Photo Exhibit: *Seasons of Life* by Carol Stauffer

TOMS RIVER – The Ocean County Library is pleased to host *Seasons of Life*, a month-long exhibit by Toms River photographer Carol Stauffer. The collection, which will be displayed in the Toms River Branch McConnell Gallery during February, consists of inspirational photography.

For Carol, the seasons of our lives are best reflected in the changing seasons of nature. Each offers unique challenges and gifts, helping us to learn and grow. Carol views nature as a living canvas of beauty, harmony and wisdom. She desires to inspire all who view her photography to open their eyes and hearts to these gifts.

Carol's affinity for nature's inspiration and solace began in her youth, as she explored her rural Pennsylvania surroundings with a Brownie camera. Later, while pursuing degrees in Education, Dance Therapy and Massage Therapy, she studied the connections of body, mind and spirit in self-expression. The experience enhanced the spiritual nature of her work.

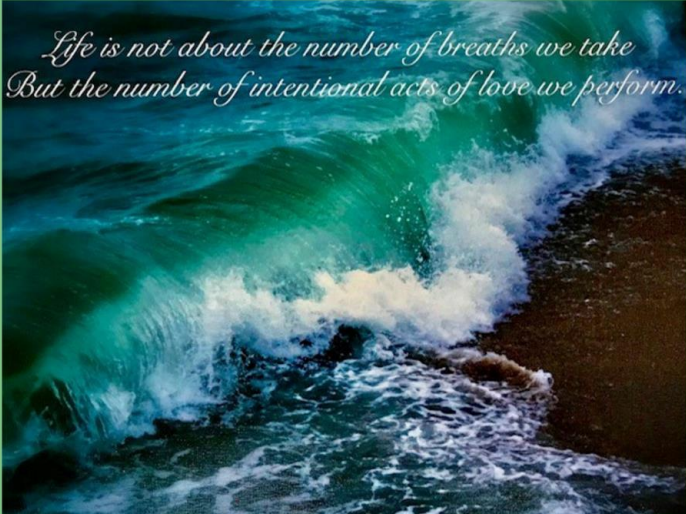

Seasons of Life is free and open to the public. For more information, please contact the Toms River Branch of the Ocean County Library at (732)349-6200 ext. 5100, or visit www.theoceancountylibrary.org/events.

SEASONS OF LIFE

*Life is not about the number of breaths we take
But the number of intentional acts of love we perform.*
