Two Ocean County Library Branches to Feature Brain Wash Game Show's "Fast and Victorious Games"

TOMS RIVER – The Ocean County Library is pleased to present Brain Wash Game Show's "The Fast and Victorious Games" in two branches during March: The Stafford Branch, 6 PM Thursday, March 3, and the Manchester Branch, 6 PM Monday, March 14.

Attendees will be the stars of Eric and Bonnie Dasher's fast-paced, side-splitting productions, with dazzling lighting, sound effects, digital scoring, video projections, and all the energy that televised game shows contain.

Contestants will play as many as 10 different games in each production, including familiar game shows, survey games, speed trivia and more.

Eric Dasher has brought his game-show excitement to live and virtual audiences throughout the US and Mexico. Bonnie Dasher, a public-school special education teacher, keeps the action rolling and ensures content quality.

Registration at www.theoceancountylibrary.org/events is required to attend either of these free presentations.
