Ocean County Library Stafford Branch Added to Toiletry Drive Collection Centers

TOMS RIVER – The Ocean County Library announces an expansion of its designated collection centers in its month-long toiletry drive for Ocean County children in need.

The OCL Stafford Branch has joined the Toms River, Manchester, Jackson, Point Pleasant Borough, and Brick Branches as a designated collection center for personal-care items. Items can be donated through March 31.

The Library's Department of Homebound and Volunteer Services is teaming up with county organizations that distribute items to children in need.

The most-needed personal-care items include unopened toothpaste, toothbrushes, soap, hand sanitizer, deodorants, shampoo, hair conditioner, hair brushes, combs, socks, and feminine hygiene products.

No donation is too small, and each makes a big difference in a child's life.
