Toms River Artist Community's "New Perspectives" Coming to Ocean County Library Toms River Branch

TOMS RIVER – The Ocean County Library Toms River Branch is pleased to present "New Perspectives," a multimedia exhibit by the Toms River Artist Community (TRAC), throughout the month of September.

"New Perspectives" will be on display in the Branch's 2nd Floor Gallery. It represents unique creative expressions of the lively, thriving art scene in Downtown Toms River. Works by TRAC members will encompass a broad range of themes, styles, and media.

TRAC's twofold mission is to culturally enrich the community with an affordable, active, and vibrant environment in which artists can work, teach, and exhibit, and to be a catalyst for revitalization in Downtown Toms River.

"New Perspectives" is open to the public. No registration is required for this free exhibit. For more information, visit www.theoceancountylibrary.org/events, stop by the Branch at 101 Washington Street, or call (732) 349-6200.
