### **Ocean County Library Toms River Branch to Feature *Majestic Nature* by Kaylee McGrath in May**

**TOMS RIVER** – The Ocean County Library Toms River Branch is pleased to present the photographic imagery of Ocean County native Kaylee McGrath throughout the month of May. The exhibit, *Majestic Nature*, will be displayed in the Branch's Second Floor Gallery.

Kaylee began developing photography skills while attending Barnegat High School. She studied multimedia arts and business technology at Ocean County Vocational-Technical School, under the New Jersey Board of Education's Super Senior program.

"My passion for photography began when I was a teenager, filling my need for self-expression," Kaylee said. "While embracing landscapes and nature, it allowed me to enjoy tranquility and therapeutic, needed, personal time."

Visitors to the [Red Rose Kay Photography & Multimedia](#) website learn that Kaylee achieves modern imaging and traditional portraiture using a full-frame mirrorless camera and mobile photography.

"What I love the most about mixing the two different formats is how I never miss a great magic moment photo shot, wherever I am, or where I go," said Kaylee. "My work is an honest look at life and nature."

*Majestic Nature* is free and open to the public, and can be viewed during normal Branch operating hours. No registration is required to view the exhibit.
