***An American in Provence's* Jamie Beck to Appear In Ocean County Library's Virtual Author Talk Series**

TOMS RIVER – Author-photographer [Jamie Beck](#), whose extended hiatus in France produced the *New York Times* best-seller *An American in Provence*, will appear in the Ocean County Library's Virtual Author Talk series, 2 PM Thursday, June 15.

An American in Provence is Beck's account of her five-year stay in the storied French countryside, its contribution to her personal growth, and her evolution as a writer and photographer.

Equal parts travelogue, memoir and cookbook, *An American in Provence* contains Beck's tips and techniques for vividly capturing images such as the lush scenery that appears in page after page. Readers will also find tempting farm-to-table recipes.

Beck has created photo campaigns for brands including Nike, Donna Karan, Google, Samsung and Microsoft. Her images have appeared in *Vogue*, *Harper's Bazaar*, Netflix, and digital ads for Disney. Many of her original works can be seen on [Instagram](#).
