### **Meet Photographer Sandy Foley, View 'The Romantic Era' at Ocean County Library Jackson Branch**

**JACKSON TOWNSHIP** – Evocative photography by Sandy Foley, “The Romantic Era,” will be displayed throughout the month of August at the Ocean County Library Jackson Branch. Meet Sandra during a special artist’s reception, 2 PM to 4 PM Saturday, August 5.

The interior designer from Jackson took inspiration from her interest in fashion in 2010, creating Flair Designs LLC, specializing in costuming such as masks, headpieces, and corsets. During New York Fashion Week 2010, Flair Designs successfully debuted for Shekhar Rahate and other celebrities.

Sandy expanded her vision to include interviews with models, stars, and musicians, and became the “Cameo Girl” to “bring you the world of fashion, music, & art.”

She launched [Fashion Haunts Magazine & Media](#) in 2017, which features her interviews and passions including music, fashion history, photography, and paranormal pursuits. Featured guests have included *America’s Next Top Model* Allison Harvard, Melissa and Joe Gorga, Tracy DiMarco, Moriah Formica of *The Voice*, and Samantha Ortiz.

Sandy's fascination with paranormal culture developed into a love of storytelling through art. In 2019, she published a children's book, *The Haunting Adventures of Boo*, and also started Fashion Haunts Photography. She began collaborating with children and adults with disabilities, and set as her next goal the creation of a special-needs art gallery.
