**Special Enrollment Period (SEP)** is the time outside of the Yearly Open Enrollment Period. To qualify for SEP, you usually have up to 60 days following the certain life event to enroll in a plan. If that period is missed you must wait until the next Open Enrollment Period to apply. You can enroll in Medicaid and the Children’s Health Insurance Plan (CHIP) any time of the year, whether you qualify for a Special Enrollment Plan or not. Job-based plans must provide a special enrollment period of at least 30 days.
