The Qualification screen will reappear informing the teen their “waiver has been submitted.”

Once you hit “Continue to NEXT STEP” a Congratulatory screen will appear. You will hit “Continue.”

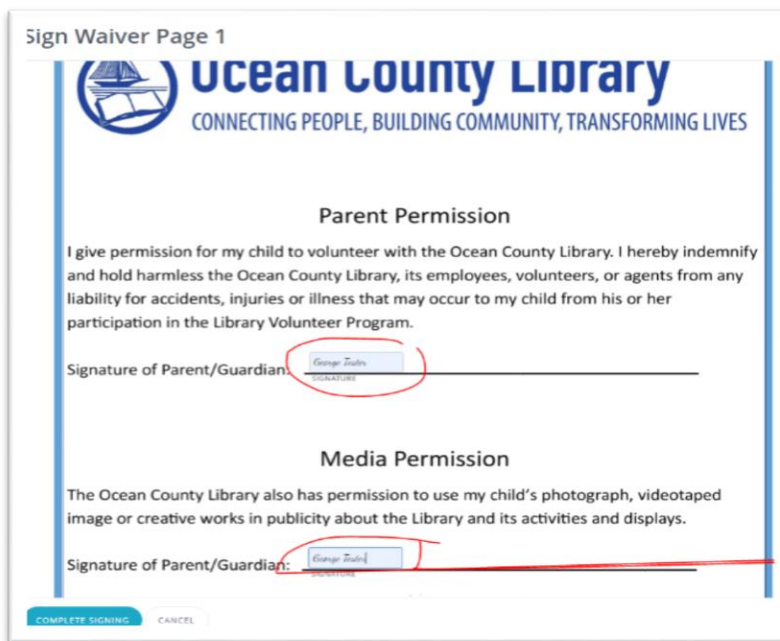

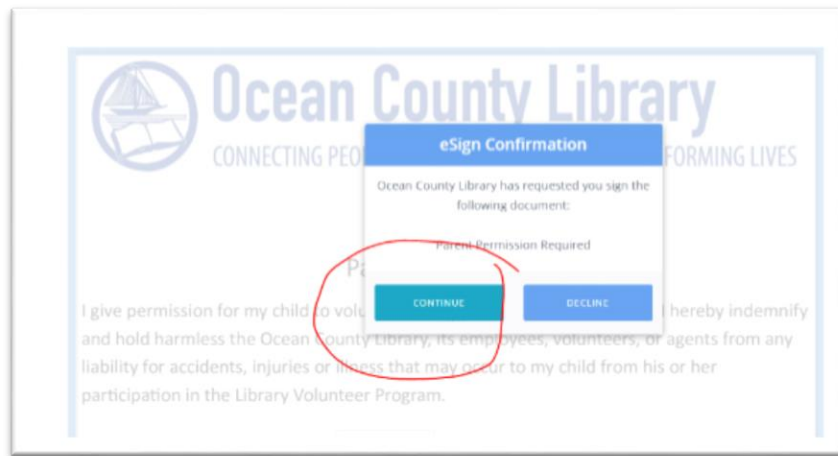

Now, there are two ways the Parent or Guardian can sign the waiver.

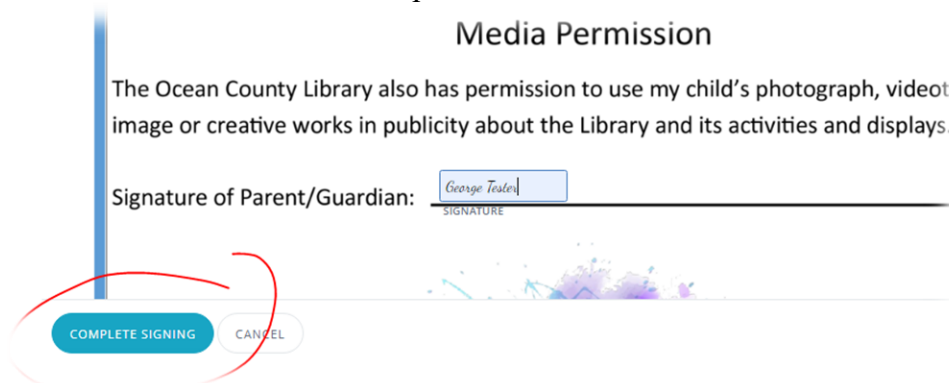

The quickest way is to go through your Galaxy inbox. The link with electronic signable waiver will appear there. The Parent or Guardian can sign it there, directly in Galaxy.

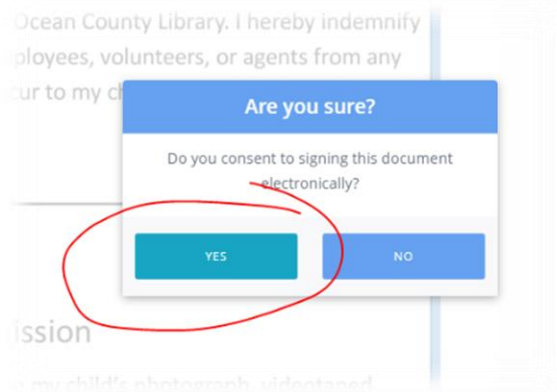

The second way is for the Parent or Guardian to find the link from their email. If there is nothing from <OCL Volunteer Services no-reply@galaxydigital.com> in their Inbox, they should be sure to check their Spam Folder.

Wherever they click the link they will hit continue on the “eSign Confirmation” screen.

Lastly, they must click “YES” when the “Are you sure” screen appears.

Once signed, you, the teen volunteer, will then be informed via your Galaxy inbox that the waiver has been signed by their Parent or Guardian.

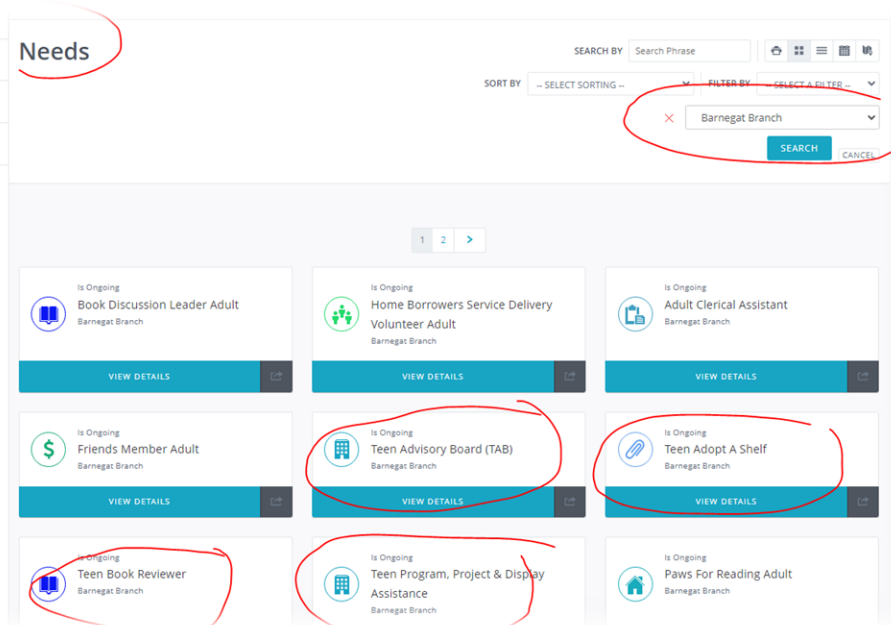

TEEN VOLUNTEERS – SELECTING SPECIFIC VOLUNTEER OPPORTUNITIES

Once the application is complete, (even before the Parent Permission Waiver is signed), the Dashboard screen will appear where you will be given options, including the ability to “Respond to a Need.”

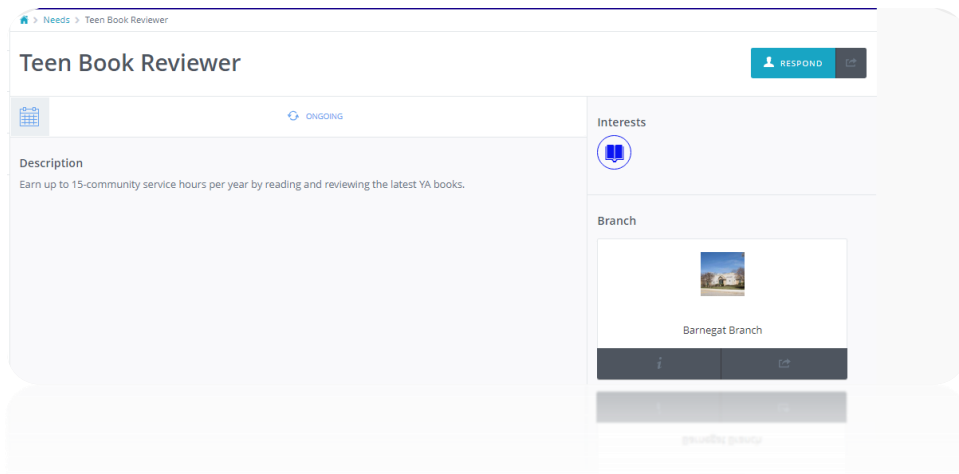

NOTE: Responding to Needs will NOT go through until after you are in “Qualified” status. This will not occur until after the Parent Permission Waiver is signed and submitted and your local librarian changes your status on your account.

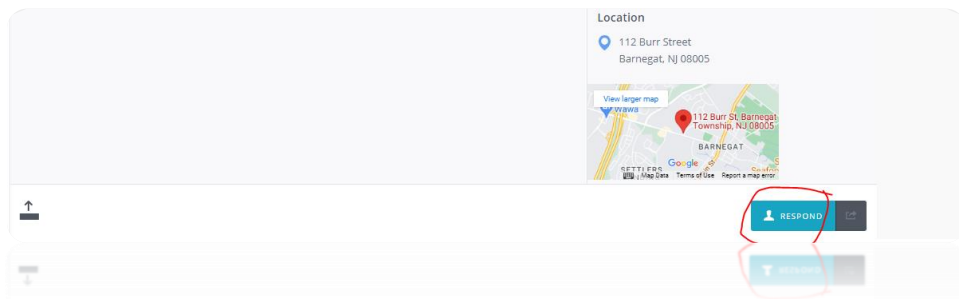

When you click “Need” you can filter by your local Branch”

You can then search for the volunteer opportunities you are interested in. You will have to click “View Details” on one of the opportunities to “Respond to the Need.”

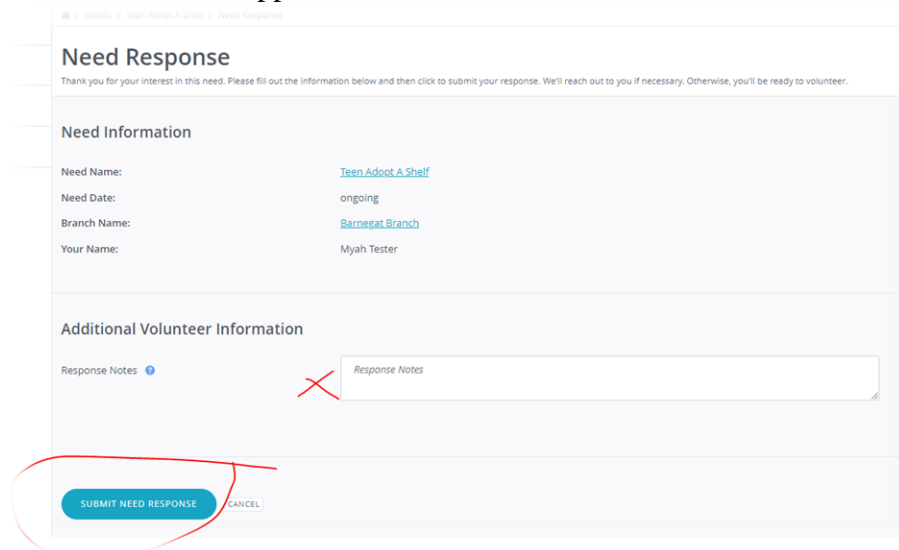

Once clicked, you can hit “Respond.”

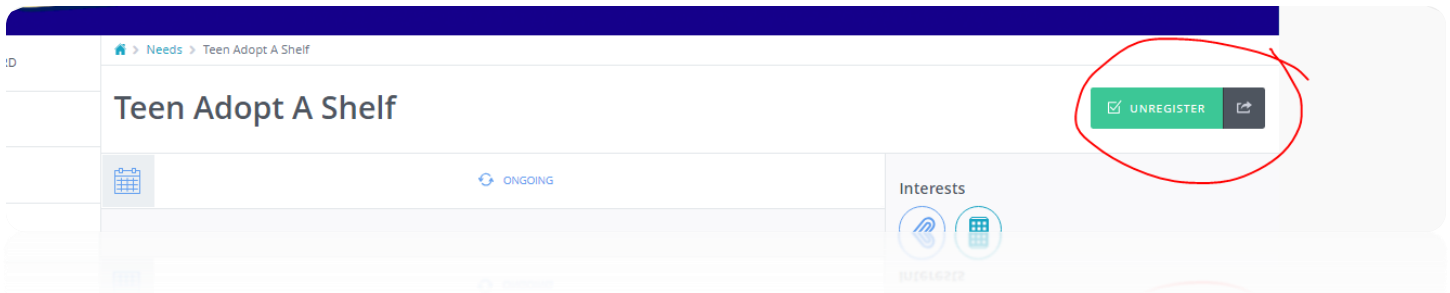

If you are not in the system as “Qualified,” a “Submit Qualifications” screen will appear informing you that your status is pending. Your waiver must be signed before you can begin volunteering. And your local librarian must change your status to “Qualified.”

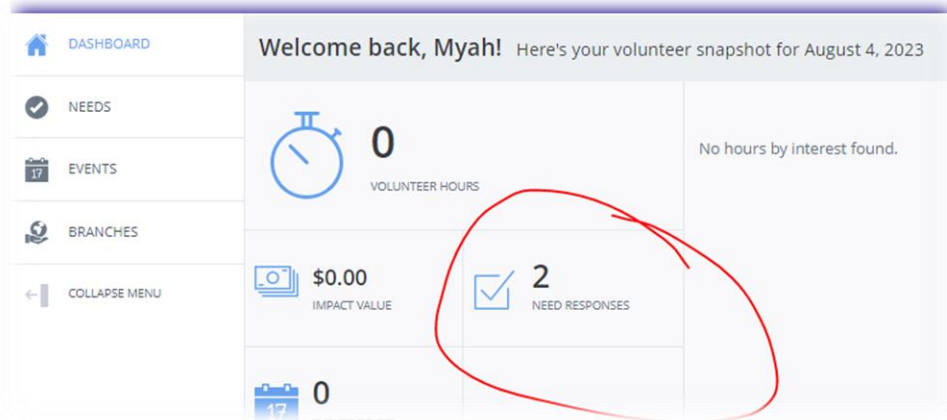

If you are in “Qualified” status, a green banner will briefly appear saying “You have responded to this need.” Off to the right of the screen an “Unregister” button will appear in green. They can also unregister for volunteer opportunities from their dashboard.

You can then view your “Dashboard” to track your volunteer activity.

In the “Need Responses” section, it will alert you to how many opportunities they have applied for.

If you have any further questions or it has been longer than 1 week (or 5 business days) and you have not heard back from your local librarian, please reach out to them!

Until then, thank you for joining us on Galaxy and becoming a Teen Volunteer!
